(DRAFT COPY)

Plano de la Provincia interna, de el Nuebo Mexico que hizo por mandado de el Ill.e Coronel de Caballeria, Gobernador y Com.te General de dicha Prov.a Don Jose Bug.te de Varas. Y. Bernardo de Mera, y Pacheco Soldado Catonquido de el Real Presidio de Santafee con sus Poblaciones en el estado que a la presente se hallan, mui mal formadas y dispersas unas de otras las Casas de los Vezinos que las componen, y de esta mala disposicion conque se han radicado, cada individuo en el pedazo de tierra que se les a Mercenado fabricando su habitacion, se han originado muchos daños, desastres, y desolacion de Poblaciones que han causado los Enemigos Camanchis y Apaches que circumbalan dha Provincia Matando y llevandose muchas familias, a lo que se hace preciso que con exactitud y pronta Obediencia se ejecute la Orden que con toda prudencia, Caridad y celo a el Real Servicio, dio dho Señor Governador, luego que reconocio todas su Poblaciones, y su desorden para poner el Remedio y que permanescan en estavilidad civilidad y Politica Christiana haciendo sus plazas quadradas cercadas a lo menos de veinte familias cada una en forma de Reductos, las pequeñas con dos Baluartes, y las grandes con quatro en medio de las cortinas, para el Alcanse de las escopetas cortas que usan, no conviene se hagan torreones a le antiguo, pues debajo de ellos se cubre el Enemigo, les ponen y prende fuego, como se tiene experiencia, A una legua Corta de el Pueblo de Taos, en la Margen de el Rio que llaman de D.n Fernando Estaban Radicados doze familias, y sus Casas como han acostumbrado, tubieron noticia venian los Camanchis a ynsultarlos, se recogieron todos a una Casa grande con sus tronores de Pabelo de Villa alpardo Catorze hombres con Armas de fuego con muchas municiones; atacaron los Enemigos con vigor y intrepido dha Casa, se metieron debajo de las troneras, del oratorio y terrenos, cubiertos a su salbo, empezaron por barias partes abrir orechas y a incendiar fuego; los citados Casa y puesto dha manobra descubrian sus cuerpos sobre el parapeto, y entonces lograron de[l] enemigos herirlos con balas, y flechas, los que todos perecieron, y se llebaron sesenta y quatro personas chicos y grandes de ambos sexos, de ellos murieron mas de ochenta. Porque esta narrativa, para que se vea con el teson que estos enemigos Pelean. Los Pueblos de Yndios Christianos se mantienen, en aquel modo de Politica union y Civilidad que en su Gentilidad los hallaron los Españoles en su primer Pueblo, con sus Casas unidas de dos y tres altos, formando Plazas, y todas con Escaleras portatiles a qualquiera ymbacion las suben; y las Cubiertas y terrados, altos y bajos con troneras en los parapetos, para su defensa y de el enemigo, ofensa.

Echo en la Villa de Santafee, Capital de dha Provincia Año de 1779.
